

Terms and condition of accessing a handicap through The Piranha Golf Club

Official golf handicaps are offered through The Piranha Golf Club (PGC), which is owned by Piranha Golf (PG).

Piranha Golf Club is a Tier 1 , approved , Social club , by Golf Australia.

Piranha Golf Club can issue approved GolfLink Numbers to Social Members who are new to golf or former members of other Golf clubs provided they have been dormant for 24 months.

The Piranha Golf Club is a dedicated Golf entity that encourages new comers to golf, helps with their development and acts as a pathway for members to progress to formal golf membership to established golf clubs when they are ready.

Golfers who are already members of a Golf Club can still join the Piranha Golf club and use their current golflink number and play in all events held by the Piranha Golf Club. They will have equal member status as home members. All Piranha Golf Club events will be set up as a competition and the relevant member golflink handicaps will be used and the results will be updated to reflect the result of all members.

1. Members agree to receive Golf Australia and GOLF Link marketing and promotional material.
2. Members authorise Social Golf Australia to disclose membership details to Golf Australia in accordance with the Privacy Amendment (Private Sector) Act 2000 (C/w).
